

**Dear Valued Business Partner,**

STARR has just launched a travel insurance product specially for the customers to enjoy a carefree and relaxed seacation journey.

**TravelLead – Cruise to Nowhere Insurance** is a single trip travel insurance plan extends to cover the medical expenses and hospital cash if insured person sustains COVID-19 first contracted during a cruise trip, and in the condition that the diagnosis of COVID-19 is confirmed within 14 days after returning to the Hong Kong port. Please find the coverage details of the extension stated as below for reference.

**Details on Extension of Medical Expenses and Hospital Cash due to COVID-19:**

**(Applicable to single trip only)**

If during the period of insurance the insured person sustains coronavirus disease (COVID-19) first contracted during the trip and is diagnosed within 14 days upon return to the port of Hong Kong which directly results in the necessity of medical treatment in Hong Kong.

- 1) **Medical Expenses:** we shall reimburse the insured person for any reasonable and customary medical expenses incurred within 30 days from the date of diagnosis, and subject to the following maximum sub-limit per person:

Plan Level	Sum Insured (HKD)
Essential Plan	110,000
Extra Plan	230,000
Supreme Plan	380,000

- 2) **Hospital Cash:** we shall also indemnify the insured person a daily benefit of **HK\$300** for each day of confinement up to a maximum of 14 days.
