Claims Procedure

The claims procedure follows that required by the Employees' Compensation Ordinance on which your insurance is based.

An Employee who sustains injury by Accident arising out of and in the course of his/her employment shall be eligible to receive compensation such as periodical payment(s) for the period of temporary incapacity (usually known as sick leave) and medical expenses from the employer irrespective of the duration of his/her sick leave.

For the compensation claims involving no permanent incapacity with sick leave period less than 3 days, the following procedures should be adopted:

Notification of Accident

An employer is required to use a specified Form (Form 2B) to notify the Commissioner of Labour Department of any work accident which incapacitates his/her Employee for a period of not more than 3 days. The notification should be made within 14 days after the Accident. A detailed circumstances of the Accident and occupation of the Employee should also be described in the space of the said Form. In normal situations, an Employee who has temporary incapacity of not more than 3 days is not required to attend medical assessment of the Labour Department.

If it turns out that the period of sick leave subsequently exceeds 3 days, the employer is required to give further notice to the Commissioner of Labour Department. Such notice should be given in a prescribed Form (Form 2) within 14 days after the employer has been informed of the longer period of sick leave. After recovery of the Employee, he/she is required to attend the medical assessment of the Labour Department. The Commissioner of Labour

Department is empowered to issue a Certificate of Assessment and Certificate of Compensation Assessment to both employee and employer stating particulars of the assessment and the amount of compensation.

Immediately after the accident, we, as Insurers, need to have a copy of Form 2B and/or Form 2, which will serve as notification of the claim. If medical expenses are involved, the Certificate of Assessment with Certificate of Compensation Assessment and original sick leave certificate must be submitted together with the original medical bills once they are available.

Should you require any guidance in submitting your claim, please do not hesitate to call our claims hotline, Monday to Friday 9:00 a.m. to 5:30 p.m. on (852) 2903 9388.

Notification to Employer

Employees' Compensation Insurance – Earnings Declaration

It is very important that all employers must report actual earnings information of their employee to the Insurers, in order to comply with the Employees' Compensation Ordinance ("ECO"), Chapter 282, and to ensure full indemnification to meet their liability to the employees for accidents arising out of and in the course of the employment.

Employers are reminded that:

- (1) Within 90 days after the expiry of the period of insurance or upon cancellation of the employees' compensation insurance ("ECI") policy, they shall supply the Insurers with the completed Premium Adjustment & Declaration of Earnings Form stating the **actual** earnings of their employees as well as the relevant supporting documents during the period of insurance.
- (2) According to the clause (e) of the Policy Limit of Indemnity contained in the ECI policy, under-reporting of earnings may result in proportionate reduction in indemnity for compensable claims. In such cases, employers will have to bear the proportionate share of indemnity for the injured employees by themselves. If no declaration of the actual earnings by the employer is received by the Insurers as prescribed in (1) above, for the purpose of this clause the earnings estimated by the employer as at the commencement of the period of insurance shall be used in lieu of the actual earnings that should have been declared to determine the extent of the under-insurance if any.
- (3) Furthermore, an employer failing to insure in accordance with Section 40(1) of the ECO commits an offence and is liable to conviction up to the maximum fine of HKD100,000 and imprisonment for two years.
